# THE UTICA ODE

Oh, Utica, Dear Utica fair  
child of Mississippi

The world now turns its longing  
eyes to thee.

Be brave and strong, nor stoop  
to wrong, strong in integrity.

The strength of youth inspires  
your heart;

In faith and prayer you've made  
your start.

Now climb the rugged road,  
Now climb the rugged road,

Now climb the rugged road, and  
play your part.

Oh, Utica, brave Utica, Thy  
race needs thy assistance,

Viewing Thy policies no more  
askance

Thy task it is to burst the  
bonds of baneful ignorance

Naught now can stray the upward  
way.

God sends the manna day by  
day,

And guides Thy footsteps, and  
guides Thy footsteps

And guides Thy footsteps lest  
they go astray.

## THE PRESIDENT'S MESSAGE

Utica Institute Junior College has served Hinds County and Mississippi for more than a half century. The influence of the college has been felt in every home and in the lives of practically every child in Hinds County.

The institution is a combination of an agricultural high school and junior college which is jointly supported by Hinds County and the State of Mississippi. It has an enrollment of 600 high school students and 110 junior college students. The Junior College Department has increased from 67 last year to 110 this year. A further increase in junior college enrollment is anticipated for next school year.

Utica Junior College has modern buildings with modern equipment. There is a junior college trades building plan for next school year, which will offer some ten terminal trades for junior college students. The school maintains a modern fleet of school busses which enables the college students to live at home and attend college without paying tuition. The school has been liberally supported by the citizens of Hinds County through the years which has gone a long way in lifting the morale and enriching the lives of the people in Hinds County.

This annual is a pictorial review of the school's program here at Utica Junior College. We hope that everyone who will read it will get an insight into the college that has meant so much to so many, so long, here in Hinds County.

# BOARD OF TRUSTEES

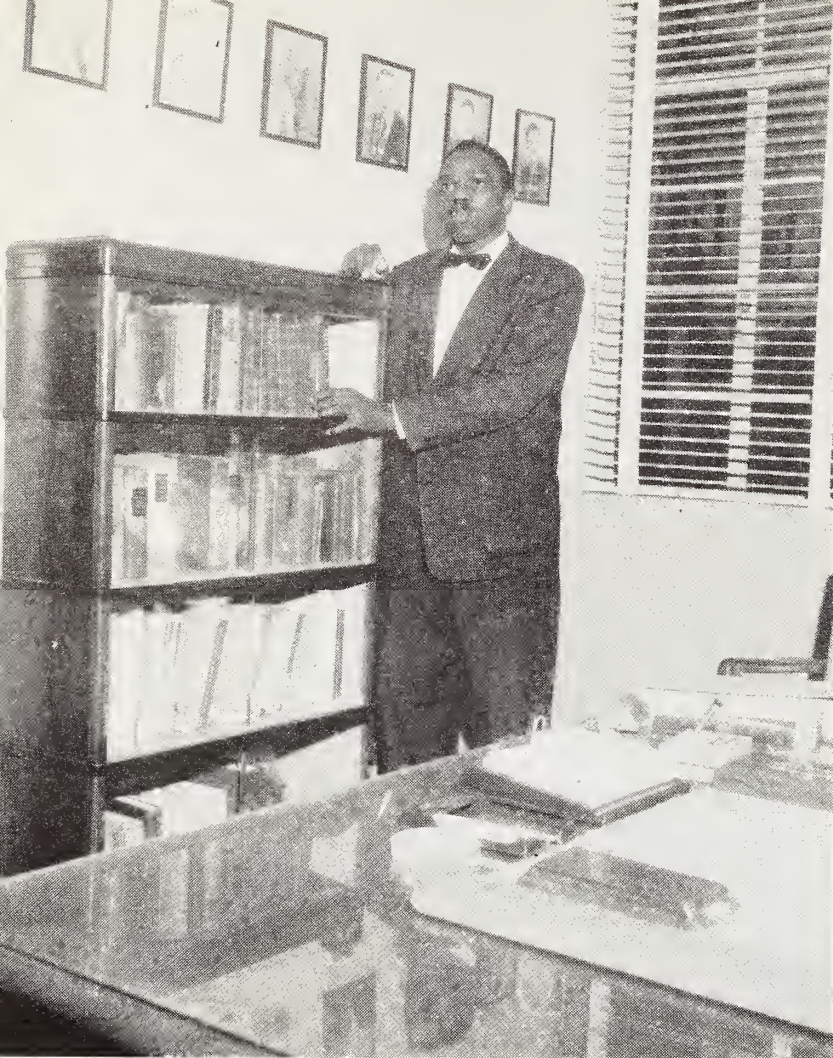

**LEFT TO RIGHT:** Mr. J. E. Aldridge, Secretary; Mr. J. W. McKewen, Mr. H. H. Davis, Mr. G. L. McLendon, Consultant; Mr. F. M. Greaves, President; Mr. W. D. Lowe, Mr. Raymond Burchett, School Architect; Mr. Stokes V. Robertson.

# BOARD OF SUPERVISORS

**Seated from left to right—**Mrs. Floyd Hawkins, District 5; Mr. Ross Dodds, President District 1; Mr. Shelby Hubbard, District 3. **Standing from left to right—**Mr. Dan Ferguson, District 4; Mr. E. F. Ragan, District 2, and Frank Scott, Chancery Clerk.

Dear Uticanite,

Your successful effort in depicting the lives, works, and activities of the members of the Utica Institute Family is worthy of commendations.

Through the work of your very able staff that is represented here in the picture layouts, the copy and the orderly arrangements of both, one can readily discern that the Utica Institute Junior College and Agricultural High School is truly "A Student Centered School."

Your theme "Stars Shine On . . ." is not only a timely one, but it also carries prophetic intonations. In this age of space satellites (Sputniks and Explorer I and II) your future is really written in the stars. Today, these stars shine on you from distant reaches of space where the objectivity of your view is only disturbed by the intimate wink of their rays as they cross your vision. Tomorrow, the view will be closer, more intimate, more subjective, and will have a more direct bearing on your future.

I urge you to make ready to meet the challenge of this future. Plan your goal and work diligently toward it, then you will never have any fear of failure when the light of the future passes over and—as the "Stars Shine On . . . you."

Yours very truly,

*M. L. Howard*
