THE HINDSONIAN

Hinds County Agricultural High School

Volume 3

Editor, Ronald Stamps

THIS, WE REMEMBER

"How time flies when you're having fun." And how expressive this statement is when we think of what our year was like. It was a year of much excitement and challenge.

The year started off with a boom as we pursued an academic program filled with challenges brought forth so cunningly by the faculty.

To enhance our learning atmosphere the legendary Ginn Hall was abandoned. In its place was the modern academic structure which we so fondly called "The New Building."

The boom continued to resound as the football team fascinated fans with their fine performance which eventually led them to become "The Champs." School spirit engulfed the student body like never before.

This great boom was reverberated as Homecoming made its grand appearance—bringing royalty and pride to the year. It provided us with just the right amount of excitement to enlighten our memories of life at Hinds.

Student honors, club and academic participation, and social life were all added to our storehouse of memories . . . And all of THIS, WE REMEMBER.

Students are relieved as they finally vacate Ginn Hall and enter a newly structured academic building. The building consists of 8 classrooms, a band room, a choir room, and music labs and offices; The athletic department, enjoying an illustrious year, starts off strong as the football team performs with greatness; Homecoming brought on beautiful floats and the year brought on school spirit.

A SPIRITED YEAR

From tacky dances to tactfulness in science experiments and ROTC drills, we all possess something worth remembering at Hinds.

AN UNBEATABLE HALFTIME SHOW

Those who marched and those who provided the beat to march made the band and Reserve Officers Training Corps two of the most prolific organizations at Hinds A.H.S. Together, these clubs added an array of band formations, silent drills and dance steps to create an unformidable halftime spectacle at football games and parades. They also marched in parades statewide and participated in assembly programs and special activities performing with the discipline and enthusiasm that only they could offer.

Far left: Members of the ROTC march orderly down the streets of Utica. "Busting Loose" from the scene of the band, the Featurettes, a group of high school dance girls boogie to the beat. Behind the excitement and beauty of the Featurettes and Majorettes comes the sound of the band. At bottom: The ROTC prepares both men and women for army life. The Hinds A.H.S. troop is shown.

FHA officers for the year of 1979 are President, M. Monger; V-President, P. Gilmer; Secretary, B. McKinley; Treasurer, V. Griffin

STEPPING OUT AS LEADERS

Future Homemakers of America and Future Farmers of America

Third place winner in the corn production contest Jerry Ratliff and his advisor Mr. Owens are observing the crop.

FFA officers for the year of 79 are President, E. Robinson; V-President, B. Mims; Secretary, V. Jenkins; Treasurer, R. Clark; Reporter, R. Stamps; Sentinel, A. Devine; Student Advisor, C. Draper.

"I believe in the future of farming ..." is stated in the FFA Creed. However, the Hinds County AHS Chapters of the Future Farmers of America and Future Homemakers of America have broadened the meaning to this statement to "I believe in the future." Therefore, through experience programs, speaking and judging contests, and just plain participation, they have prepared the ideal future leaders.

The Hinds County AHS Chapter of the FFA entered the year with a state Home Improvement award winner, three recipients of the state farmer degree, an award given to members active statewide in leadership and agricultural production, and the state parliamentary law award winners. What else could they have done? Well, the chapter found something else to do. In 1978-79 they were headed toward the state in creed speaking and parliamentary law and maybe toward the national convention in livestock judging, a contest in which the chapter were not to familiar in winning in. Their national hopes for public speaking ended when the judges in a close contest caught the chapter speaker's collar unbuttoned. How close could you have gotten? The FHA, just as active, entertained the District with a play entitled "Let Me Be Me." They were also honored with a District Treasurer, Fannie Webb.

Together these clubs taught skills in selling, in mechanics, in homemaking, and in competition and participation. An through these skills these members made a great step as becoming leaders.

Classroom activities aided FHA members in their search for knowledge.

SONGS OF PRAISE

Choir

Throughout the year the "Voices of Harmony" participated in assemblies and other special activities. With a membership consisting of All-State Choir members, the "Voices of Harmony" added enjoyment to our lives.

Choir member Curtis Shears dedicates "You Light Up My Life" to Mrs. Porter.

PRAISES OF HONOR

Honor Society

The highlight of the Honor Society's year was the induction ceremonies. This year they inducted twelve new members to go along with the senior members. Most of their members were Who's Who among American High School Students. They also possessed the state vice-president of the national organization in Calvin Willis. The society aided students through scholarship and financial aid information.

Participating in the Christmas program, Choir members are: L. Porter, C. Thompson, S. Green, A. Lampkin, K. Stamps, C. Thomas, second row: R. Gilmore, A. Devine, W. Griffin, C. Shears, R. Gines, J. Robinson, D. Caston, B. Flagg, S. Wade, D. Fisher, B. Caston, C. Bailey.

The senior members of the Honor Society were introduced during the Induction Ceremony. The senior members are E. Robinson, Pres.; K. Gilmer, V-Pres.; M. McKenzie, Reporter; S. Wade, Sec.; S. Terry, Asst. Sec.; J. Lewis, Tres.; K. Williams, E. Griffin, B. Mims, C. Willis, R. Stamps, M. Williams, V. Griffin, C. Kimble, R. Johnson, G. Jackson.

PUTTING THE PAGES TOGETHER

Annual Staff

The Annual Staff was involved in putting the entire Hindsonian life within ninety-six pages. Through the confusion of planning the yearbook, getting photos, and meeting deadlines the yearbook staff finally put the pages together.

LIFE AT HINDS

Hinds, abound with opportunities for pursuing individual interests and developing talents which contribute to the students growth as a citizen, was our home away from home. Not only did we learn the three "R's" and the facts in other fields of study, but also the main substances of life. Life at Hinds taught us pride as well as meekness; tenderness as well as forcefulness. It taught us strength as well as gentleness; self-control as well as temperance. And, it taught us to love so that we might be loved. Life at Hinds taught us life so that we might endure life.

... Love

... Pride in Light of Victory

Bulldog life inspires spirit . . .

. . . Honor of worthy achievements

. . . Intuitiveness for learning and participation

. . . Cooperation of talented athletes

Intimacy between Hindsonians is a welcome part of this special day.

A SPECIAL DAY ... IS EVERYDAY

Amidst the highlighted events of Hinds AHS underlied a special day for every Hindsonian. It was a day that could not be expressed fully in a book for it possessed varying characteristics of educational and social qualities.

Each school day was made up of times for the wildest antics to times for the highest mental curiosity. It was a day that could be pictured with an isolated smile or with the solemnness of love. It also possessed the disturbances, sadness, and disappointments that we all tried to overshadow with social unity and success. The highlighted events will only be snapshots in our memories as we mature, but this special day will be an inner monument that will linger in our memories.

The day begins with time and small talk.

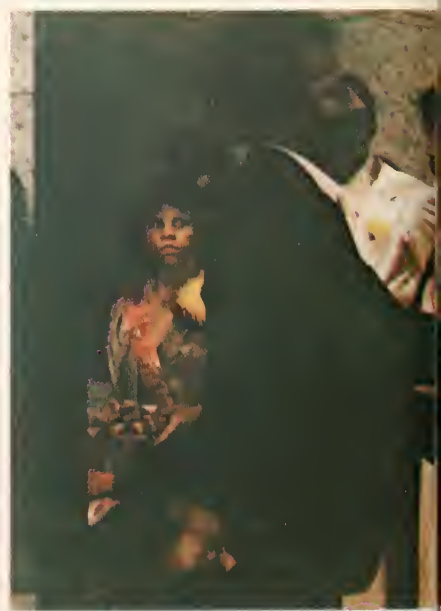

One smile radiates to enlighten the school day.

These participants of the Gifted and Talented Class represent only a portion of the intellectual side of Hinds AHS.

CORONATION

Elegance and Charm Graced Gymnasium

The most gala event of the year, the Coronation Ball was the beginning of the homecoming activities. Its theme "Moments of Beauty" was centered on the aesthetical phases of nature, the intellectual attributes of the royal subjects, and the beauty of the queens.

Under the dazzling stars queen Marisa Monger and her court made the occasion one of elegance, charm, and enthusiasm. The procession of the queen; her first runner-up, Patricia Gilmer; second runner-up, Sharon Wade; and third runner-up, Marie McKenzie added the elegance to the ball while the tributes from the royal subjects, Voices of Harmony, ROTC along with creative dances added the enthusiasm and excitement to the event.

The commencement of the ball was the royal dance of the king Andre Devine and queen Marisa Monger, under the decoration of stars and gleaming chandelier.

Spiced with a bit of fashion, accentuated with a sparkle of beauty, flavored with a touch of glamour, seasoned with a dash of anticipation, and heightened with the performances of various bands, dance troupes, and ROTC units, the homecoming parade was a success for the newly crowned king and queen as well as for the other participants and spectators.

HOMECOMING SPOTLIGHTS

The majestic court of Hinds AHS converged their genial qualities with the glamorous array of bands, floats, and features to ignite the spirit of homecoming within the Bulldogs.

But, as the buffering winds moved the

Everyone knew the swollen clouds would burst before the parade began and before the half-time show ...

clouds away, the festivities continued.

ACADEMIC LIFE

One of our schools major objective was to provide needed academic, vocational and military skills to prepare students for their future goals. Therefore, the department of Fine Arts, Social Science, Science, Math, Language Arts, and Vocational Education, along with the ROTC widened their scopes of learning to meet these needs.

Through responding to current events in Social Science, grasping an abundance of literature in Language Arts and perfecting geometric projects in Math, academic life was an enjoyable and profitable challenge.

Football

Coming into focus is the jubilation of the Bulldog football team and crowd after the team pulled out a 10-6 Homecoming game victory in the last eighty seconds to clinch the North Division title of the West Riverside Athletic Conference.

Receiver Johnny Lewis gathers in a 40-yard touchdown pass from quarterback Larry Hampton in a 20-6 victory over Liberty Central.

"Hustle" is the word to depict this action and also the Bulldogs' season.

The "Hampton and Lewis Connection" meet on the sideline to view the happenings of the game.

"Poetry in motion" describes Mike Kelker's, Larry Hampton's and John Hunter's route to the goal line.

It is Coach Strong who reigns as the team leader.

1st Row—Leonard Jones, John Rozell, Thaddeus Johnson, Lynch Frazier, Aundray Lamb, Charles Powell, John Hunter, Robert Johnson, Kinnard Gilmer. 2nd Row—Michael Ramsey, Willie Hunter, Oscar Wilson, Amos Richardson, Jimmy Davis, Johnny Lewis, Gillis Brown, Robert Kyles, Daniel Lewis, Ben Wallace. 3rd Row—Coach Robert Strong, Coach Michael Gines, Dwayne Brazzle, Ernest Richardson, Larry Hampton, Marvin Johnson, Micheal Keller, Steve McFarland, Joseph Robinson, Michael Williams, Robert Bell

NORTH DIVISION CHAMPS

Football

The football team enjoyed a year full of recognition. Ending the season with a 7-3-0 mark and finishing as North Division Champions of the West Riverside Athletic Conference, they made a complete turnabout from the previous year.

Team members received individuals honors. All-Conference recognition went to Larry Hampton, quarterback; Robert Kyles, conerback; Kinnard Gilmer, offensive tackle; Lynch Frazier, linebacker; Johnny Lewis, tight end; Jimmy Davis, defensive end; and Most Valuable Back and Most Valuable Lineman honors went to Michael Kelker and John Hunter, respectively. Also, John Hunter was selected to the All-State second team as offensive lineman.

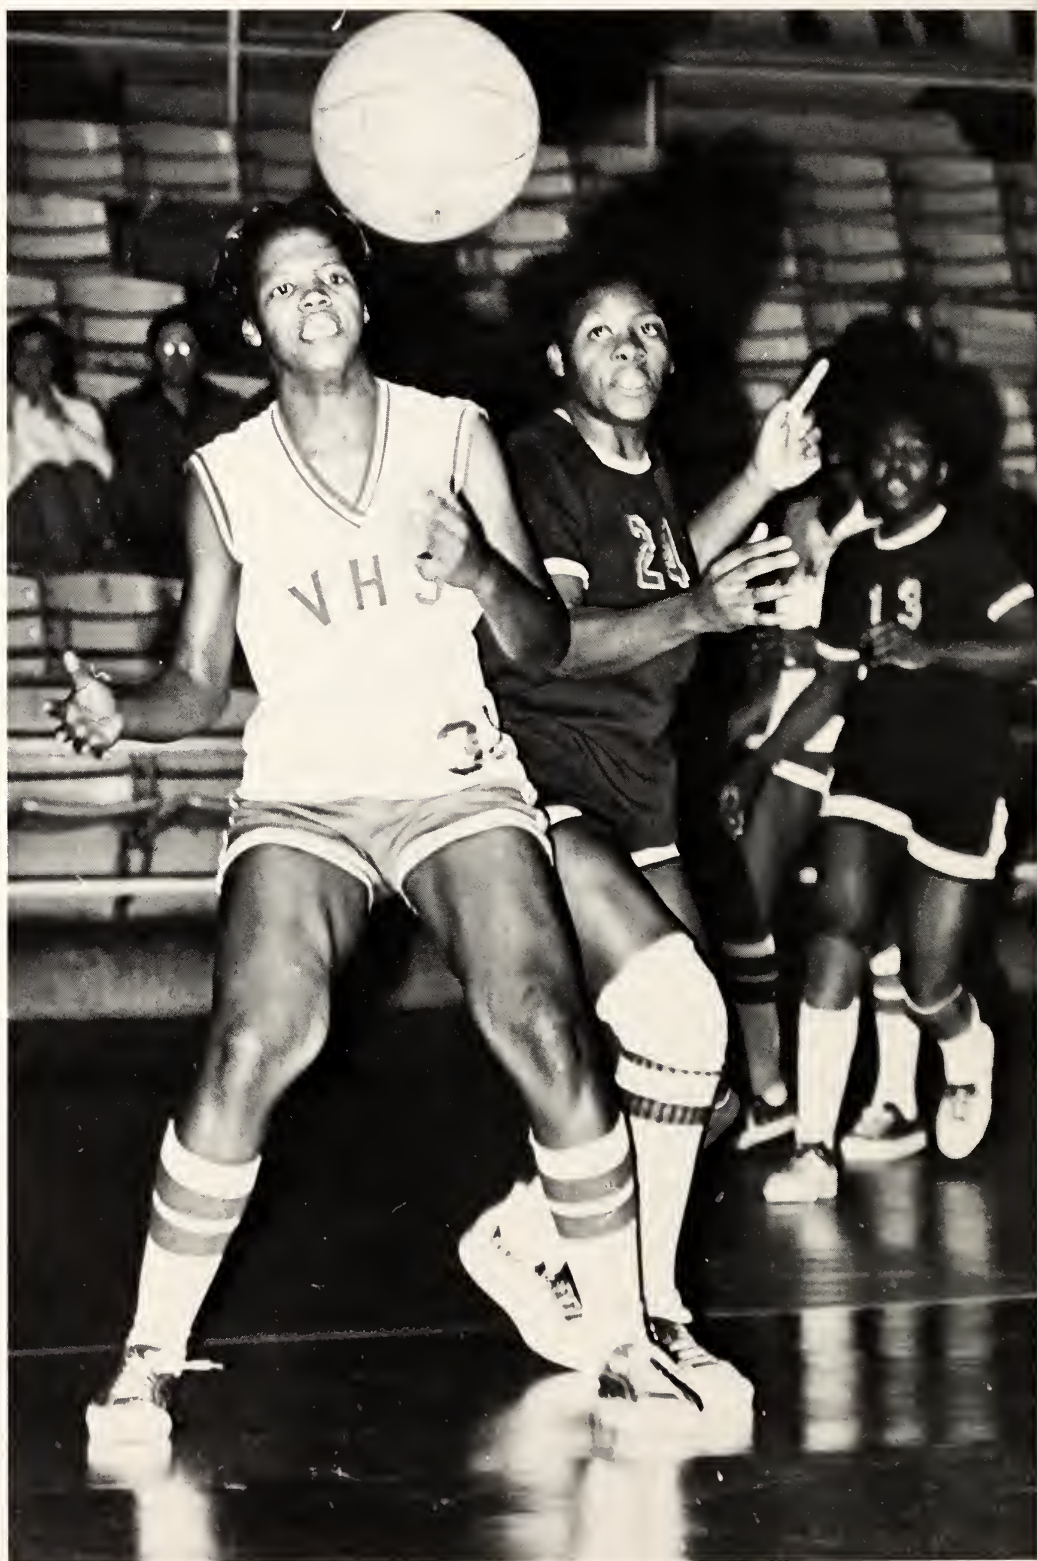

Coaches for the Bulldogs were Head Coach, Robert Strong and Assistant Coaches, Michael Gines and James Battle.

The student body spirits the Bulldogs as is shown by the pep rally given before the first game of the season.

On a punt return Robert Kyles (40) heads into a pile of Liberty Central players.

AGAIN, NORTH DIVISION CHAMPS

The Hinds AHS girls ended their season with a tough loss to a tough Vicksburg team. They had led the entire game until the last 5:35 seconds when their lead dwindled to a 61-52 defeat.

Shirley Byrd flies toward the goal for a basket against Provine.

Girls Basketball

Lightning struck twice in the same place as the Hinds AHS girls' basketball team—just as the football team—became North Division Champs of the WRAC.

The team geared themselves up for tournament play as they came on strong at the end of the season. In the 6AA District tournament they won in the first round by defeating Wingfield 50-43. In the second round they lost in a well played game against Vicksburg.

The gallantry of those girls who played throughout the season was something worth remembering.

NEW COACH, NEW LOOK—

Coach Amos provided a new look as head coach of Hinds AHS making the basketball team's future hopes brighter.

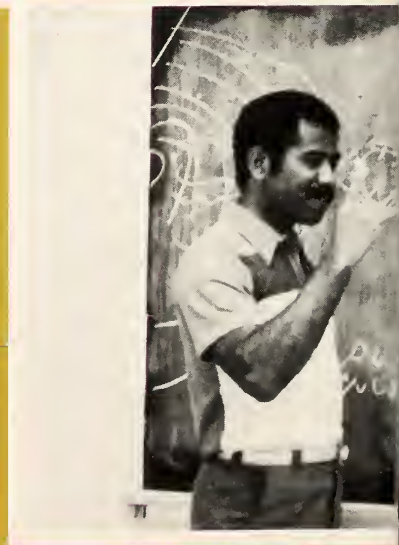

THE SKY IS THE LIMIT

After the many great performances by the football and basketball teams, the outlook for the baseball and track season showed much promise. The baseball team, coached by Coach Amos, aspired to improve upon two past not-so-perfect seasons. The track team went into competition with great anticipation. With two athletic championships already under the belt, there's just no limit to where the success should end.

FACULTY AND ADMINISTRATION

There may have been times when our faculty, staff and administration really seemed out of it. But, nevertheless, we praised them for their sincere and dedicated services. We considered them an asset to our institution as well as to us. The administration continued its efforts to make Hinds AHS a number one school keeping up with the demands of a growing society . . .

As food is served to nourish our bodies, their knowledge served to nourish our minds so that we should succeed in life.

There is nothing greater than v-i-c-t-o-r-y to football sophomores (64) Ernest Green, (83) Lucious Kimble and (70) Thaddeus Johnson.

The junior class of 1979 will be well remembered at Hinds A.H.S. They were active in preparing for both homecoming and the junior-senior prom, two of the year's biggest events. The juniors displayed a color scheme of red, white, and gray in the parade, and chose pink and baby blue for their prom colors. The chemistry class formed a separate club and also entered a car in the parade as well as a spread in the second edition of the school's newspaper. All of the juniors looked forward to making their Senior year at Hinds A.H.S. just as prosperous and enjoyable as their junior year.

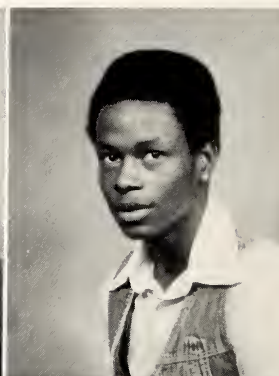

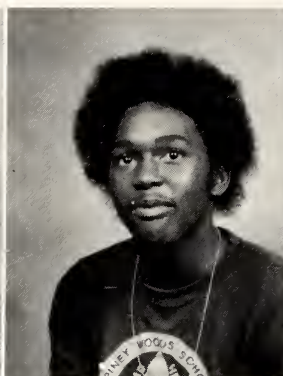

A sigh of relief is given by each of these girls who chit-chat about the joy of another school day nearing its end.

A GOLDEN YEAR FOR A GOLDEN DECADE

A Gifted and Talent Program ... Baseball Team ... Reserve Officers Training Corps ... Breakfast ... New Academic Structure ... Career Day ... Two North Division WRAC Football Title ... WRAC Girls' Basketball Champions ... First Black State President and First Black State Vice-President of the Mississippi Association of the National Honor Society ... State wide debating honors ... National Merit Semi-finalists ... First Black Winners of two State FFA public speaking, creed speaking and parliamentary law awards ... All-Conference athletes ... Tennis Team ... All State Choir members ... All-State Cheerleader ... All State Lineman ... Yearbook ...

And the lists of changes and additions to this thirteen year-old school go on and on. During the decade Hinds has matured overwhelmingly: from a football team with no wins to division champions; from a landmark like Ginn Hall to a new academic structure; from local participation to statewide participation. The school has survived a tornado and three principals—no comparisons made.

The year 1979 solidified these characteristics that the decade brought on. Football champions, basketball champions, state officers, A National Merit Finalist, Who's Who and All-Conference players constituted a year that capped off an illustrious decade.

It is known that everything that Midas touched turned to gold. Well, somehow the Midas touch was added to the Bulldog maroon to make 1979 a golden year for a golden decade.

No matter how many pictures you try to find to say farewell, it is hard to say farewell to a year that was illustrious as '79. This year, we always remember.

The 1979 Hindsonian is a student production expressing the highlights of the year. It is a production that connotes that high school is not only a place for academic development but also a place for the development of one's social qualities as cooperativeness, leadership and tolerance.

As editor of this production it was fascinating to view the efforts and achievements of the student body, faculty and staff. Amidst the conflicts of designing layouts, formulating copies, getting necessary photos, and developing the theme of the book, I found a deep satisfaction in taking on the responsibility of editing the Hindsonian.

I would like to acknowledge the staff for their dedication in the preparation of this book and our advisor, Mrs. Hampton, for taking the large responsibility of instructing and directing us toward the completion of this book. I would like to express my gratitude to those non-staffers who inserted their ideas and time into the publication.

We sincerely wish that this book will be a monument of all the good times you've had at Hinds.
