# CATCH OUR BULLDOG

## CATCH OUR EXPLOSION

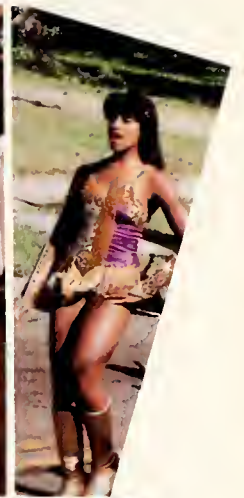

Time goes by fast for some, slowly for others. However, as we look back to yesterday, we realize that everyone has moved one step toward the future. We view ourselves as reaching for the stars, following dreams, setting goals, and realizing that "The Explosion is Here" to stay and to never go away. What we are doing and showing you on these pages is only indicating what we have done, what we can do, or what we are capable of doing in the future. Additionally, we are depicting the many activities in which students may participate either individually or as a member of a club or group. The 1992 Hindsonians have had a number of obstacles to overcome in order to be where we are today. For this great achievement, we owe the wonderful faculty and staff here at Hinds A.H.S. a great deal. In this time of war, depression, and recession, it has been a great honor to have had the opportunity to receive our education here at Hinds A.H.S. We are simply striving to achieve goals and expectations higher and broader than ever before. However, as we look back to yesterday, we realize that everyone has taken steps in preparing for the future. We know that as days go by they are going to get harder and harder for us, but we feel that we have the outstanding achievements and the will power, as well as the guts, to make it in this world. This is due to the fact that we had the wonderful opportunity to attend this bodacious school — Hinds Agricultural High School — the home of the Mighty Bulldogs.

Awaken, Hindsonians! The time has come and everybody is waiting for the explosion, but nobody knows how to get it. Many wonder if Hinds A.H.S. is ever going anywhere. Well, here at Hinds A.H.S. this school year, we are going to explode with excitement, laughter, sad and happy moments, and all of the other wonderful things that you can ever dream. So just sit back and relax and catch the Bulldog Explosion. It grows louder everyday here at the Home of the Bulldogs.
