“A Visual Difference”

A Visual Difference

Most people would probably agree that they would like to make a difference in the community and world in which they live. Such is the reason for this year's yearbook theme “A Visual Difference at Hinds AHS.”

When a theme was selected in the fall of 1995, the yearbook staff discussed several ideas that all seemed to center around common thoughts.

We wanted each individual affiliated with Hinds AHS to reflect on his/her place at this historic high school and to take personally our challenge to make a “visual difference” at Hinds AHS.

Looking back on the year, “Visual Differences” were expected as Mr. Johnny Hughes began his reign as the sixth principal of Hinds AHS. We also were fortunate this year to welcome aboard two new outstanding individuals, Mr. Bruce Baker, social studies instructor, and Mr. John London, ISS supervisor.

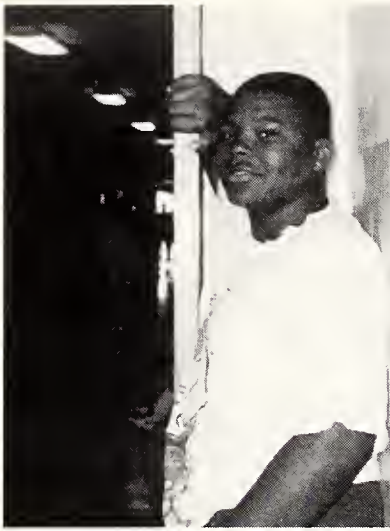

Visual differences were seen as buildings on campus underwent facelifts; air conditioning was installed, and we also were able to get an Alternative School.

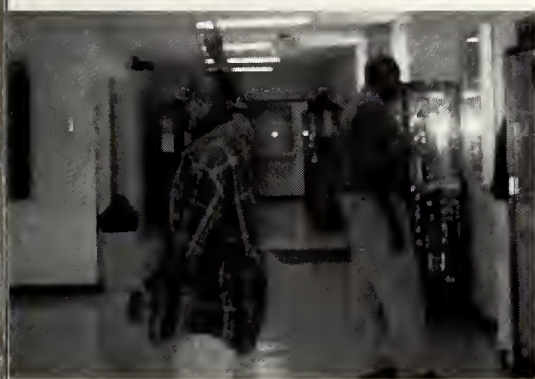

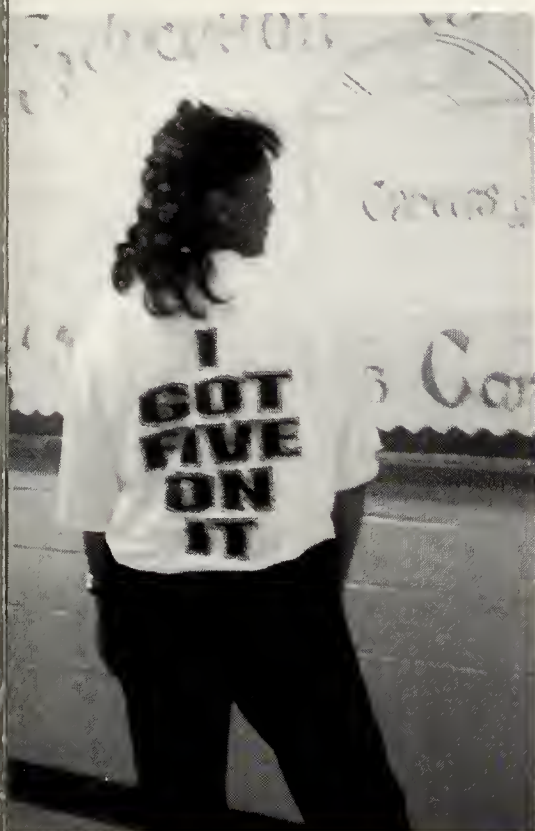

In academics, as faculty taught and students learned, differences were noticeable as personalities developed, confidence increased, and knowledge was gained.

The yearbook is designed to capture the things that make Hinds AHS a unique place to give and gain life-long knowledge, grow into mature, well-rounded individuals, and obtain a quality education.

Principal Johnny Hughes

Dear Students,

First of all, allow me to congratulate the Yearbook Staff for creating such a magnificent pictorial keepsake. As you browse through its pages, be reminded of the true mission of Hinds Agricultural High School — to provide you with a wholesome, well-rounded education as an effort toward producing useful citizens.

As you view the pictures, hopefully they will cause you to reminisce of the experiences you encountered here at Hinds AHS that contributed to your academic and social development. From them, I hope you will gain the insight to treasure your accomplishments and to improve your shortcomings.

Again, I salute the Yearbook Staff for a job well done.

We have finally reached the end of our undergraduate tenure here at Hinds AHS. This is a very sad time for most of the students here. No longer will we be sheltered in the protective environment that has nurtured us into adulthood. No longer will we be secured in the close friendships we have worked so hard to establish. We will most definitely have to leave what we now know and venture into an unknown future.

As Seniors, we are often scared once we reach graduation. Our future is directly in front of us. The decisions we make now will have a definite effect on our lives. We must be strong, pray to God, and go to someone for help. With all of these things, along with the wonderful education, we have reached at Hinds AHS, we shall succeed.

CONGRATULATIONS GRADS

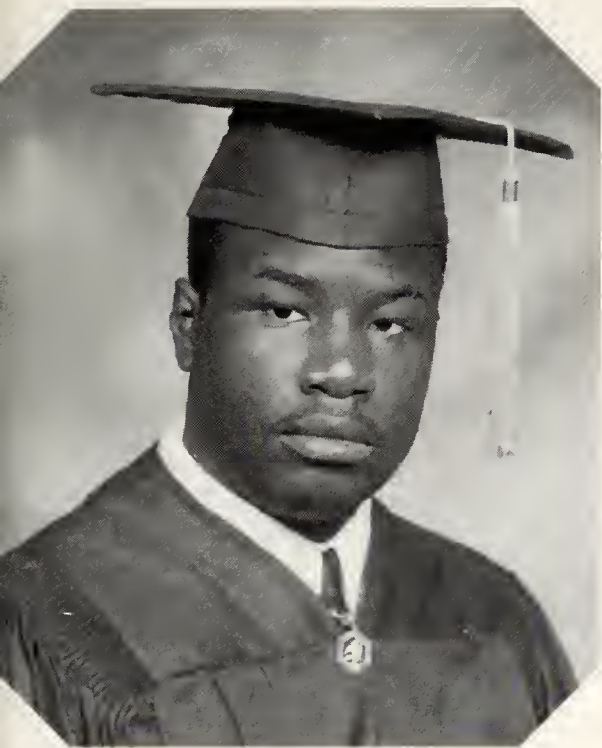

Four years ago we entered Hinds AHS with anxiety for the journey ahead. We have now come to our destination and reflect the many memories, friendships, and accomplishments that we will cherish in our hearts forever.

Yesterday, we were the students and followers; for today and tomorrow, we are the leaders, the innovators, and the future.

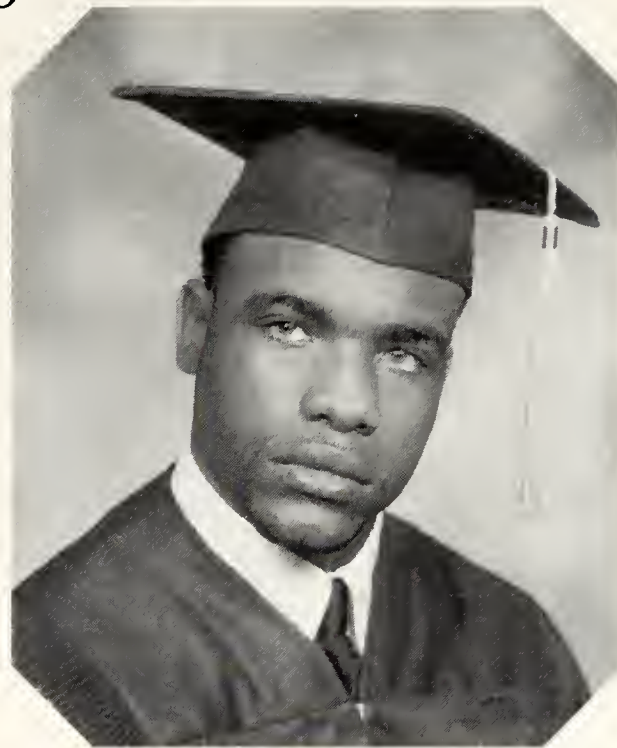

We are . . . the Senior Class of

HINDS JROTC GOES TO CAMP

Six cadets from Hinds County Agricultural High School JROTC were selected to attend Summer Camp at Fort Rucker, AL, in June 1995. The camp was designed to provide leadership experiences as well as adventure training in the form of obstacle course negotiation, repelling, leadership reactions and helicopter rides. The camp also provided an opportunity for the cadets to compete in organized athletic events. Both the individual cadet and the cadet company were scored in all events and awards were presented on a daily basis. An overall best company award was presented at the end of the camp.

The selection process was based on the cadet's overall participation in JROTC at Hinds AHS, his/her academic average and leadership potentials. The cadets selected were Joshua Knox, Arlishea Lomax, Arkeshea Lomax, Tonisha Mosley, Lawrence Johnson, and Angelia Johnson. Major Erby and SFC Christian served on the Summer Camp Staff.

Janeiro Smith

Each year the Mississippi Economic Council honors the senior scoring the highest on the American College Test (ACT) with a Star Student Award. This year's recipient of this prestigious award is Janeiro Cavallis Smith.

Janeiro, a native of Utica, is the son of Mr. and Mrs. Joseph Smith. Throughout his education, he has received numerous awards. He is involved in organizations such as Who's Who Among American High School Students, All-American Scholars, National Honor Society (Mr. Intelligentsia 95-96), TSA (Vice-President), Football Captain LB (Defensive MVP), Student Council Representative, Band (Saxophone), and the Newspaper Staff. He is also a member of the Gifted Education Class.

Upon completion of high school, Janeiro plans to major in engineering at Alcorn State University and further his education at Florida A&M University.

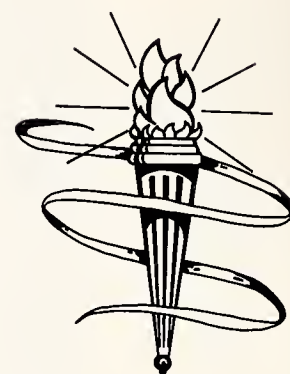

Janeiro Smith

Mrs. Madelyn Bell

Janeiro's star teacher is Mrs. Madelyn Bell. Mrs. Bell taught Janeiro French in both nursery school and in high school. Mrs. Bell attended Jackson State University where she received both the B.S. and the MAT degrees in French. This is Mrs. Bell's second time being chosen Star Teacher at Hinds AHS. However, she has been selected as Outstanding Secondary Teacher of the Year twice at Hinds.

Mrs. Bell enjoys acting, reading, strolling in the park, and shopping. She strongly believes in helping students to achieve their highest level of potential. Mrs. Bell's favorite saying is "If you can believe it, you can achieve it."

EDITOR'S MESSAGE

Fellow Hindsonians,

It has been my pleasure and privilege to serve as Editor of the 1996 Hindsonian Yearbook. I knew from the onset that this was a difficult job, but I didn't know that it was going to be so enjoyable. This has been one of the most enriching and enlightening experiences I have ever had. I have had the pleasure of meeting most of my fellow Hindsonians and working with a very dependable and capable staff.

The staff and I have worked diligently to produce what we call the "Ultimate Yearbook," and we have tried to capture Hinc AHS in all of its spirit. This is the year that we, the staff, have designated as "A Visual Difference." This has been an exciting year for most of us. We learned to capture the differences and grow into mature, well-rounded individuals with an acquired quality education.

I would like to extend special thanks to Mrs. Barbara Stokes for always being there. Thank you, fellow Hindsonians, for giving me the opportunity to serve you. May God forever bless all of you and always commit yourselves to excellence. Never stop dreaming; keep on believing; and continue your achieving.
