Here at Hinds AHS this school year we will put in place the final piece of the puzzle through excitement, laughter, sad and happy moments, and all of the other things that can ever be imagined.

With these elements completed, we the staff, set out to make this year's *Hindsonian* full of memories that we will all enjoy. After all the hard work, we are pleased to know that the 1997 *Hindsonian* is finally in your hands.

A picture is worth a thousand words. They capture all of our actions and memories to remind us of what we were, what we did, and how we enjoyed it.

This year's *Hindsonian* will reflect the many activities that were successfully executed. The quest for recognition is exhibited by participation in clubs and organizations.

So as you journey through this year-book, forget the negative stereotypes, and always remember "All is well in '97."

"A good book is the purest essence of a human soul."

"We came, we saw, we conquered."

The challenge was great; our outlook was anticipatory. We came as inexperienced students to unknown territory, seeking an education that would plot the foundation of our future.

As time passed, so did our "greenness." We came to know what it meant to get a "quality" education. We learned to appreciate caring teachers and administrators. Also, we became more focused on that which is vital for securing a promising future. We adhered to instruction and developed into young adults.

Many of our goals were achieved, but we have others to fulfill. However, these, too, will be realized because we as seniors know "Knowledge comes, but wisdom lingers."

## *GOLDEN REFLECTIONS*

# HOMEcoming '96

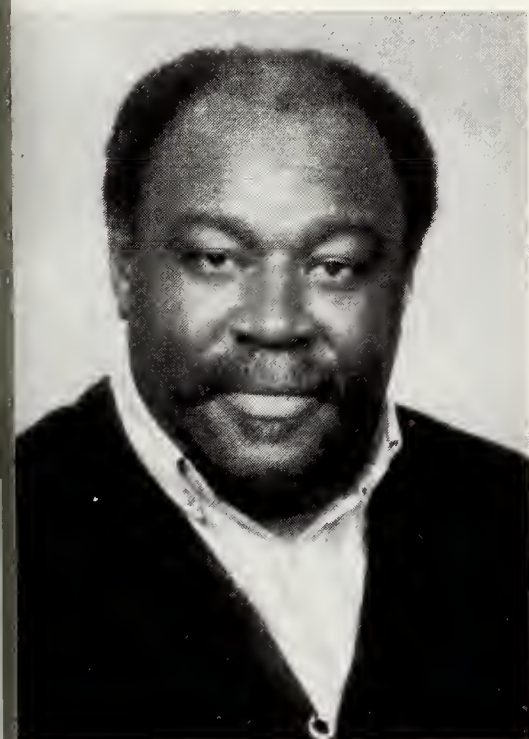

## A black and white illustration featuring a tall stack of books on the left side of the page. The books are of various thicknesses and some have visible spines with titles like 'THE HOOKED HOOKER', 'THE AMERICAN GOLFING', and 'THE HOOKED HOOKER'. At the bottom of the page, there is a row of books standing upright, also with visible spines. In the center-right area, the title 'CLUBS AND ORGANIZATIONS' is written in a large, bold, serif font. The entire illustration is in a high-contrast, woodcut-like style.

# IN MEMORY OF

# BRIAN KING

In Loving Memory of Brian Lamon King

"WHY"

Brian, I will never see you earthly again,  
I just wanted to let you know you were a good friend.  
You were always there to make me grin, laugh, and smile.  
But, now you have to go on and leave for a little while.

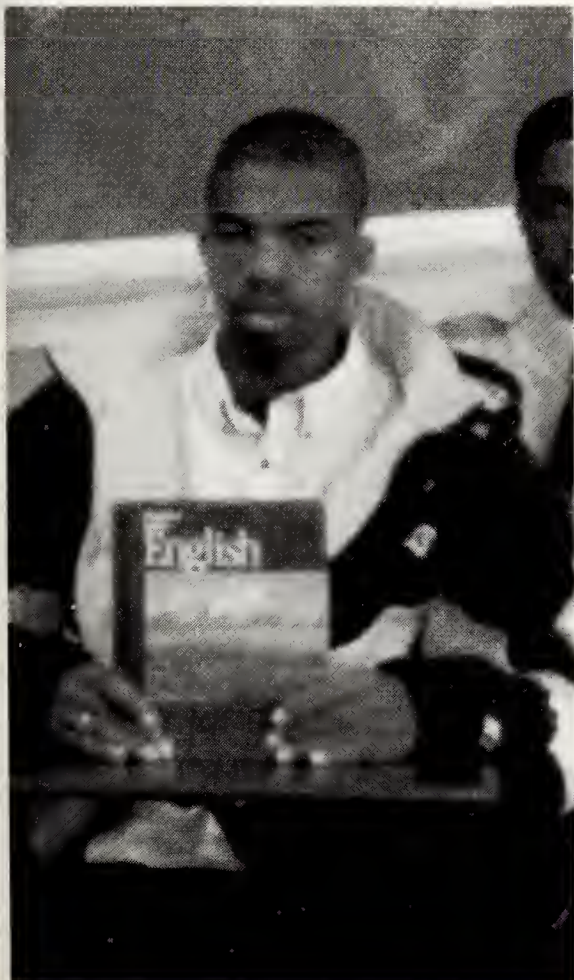

I wish I wouldn't have had a chance to say goodbye.  
'Cause all I do now is sit and cry.  
But, you didn't know, you had to leave — no one is that wise.  
The merciful Lord just came down and closed your precious eyes.

The time we laughed, the times we smiled — all that has passed  
Because your sweet and humble soul had found sweet rest at last.  
The days at school, the bus rides home will never be the same.  
I can't bear hearing anyone calling out your name.

I see your big beautiful smile when I look at the sun knowing  
One day you'll say, "Servant well done."  
Brian, you have gone on home.  
But, with the love and trust I have in you, I will carry on.

Hearts may ache and tears may fall.  
But I know the Lord will carry us all.  
So, I sit here crying and forever wondering why.  
Brian, I love you, and this is my last goodbye.

From My Heart To Yours,  
Valerie Robinson

# HINDS AHS GOES

Hinds AHS was one of four Mississippi high schools selected by the Mississippi consortium for International Development (MCID) to participate in a secondary school exchange program designed to foster interaction between these four Mississippi schools (Madison Central Yazoo City, Raymond and Hinds AHS) and four secondary schools in Bishkek and Osh, Kyrgystan. The program off set in October 1996, when Hinds AHS principal, Mr. Johnny Hughes, went for a ten day visit to Osh, Kyrgystan, to learn about their culture and school administration. Then in November 1996, eight students from School No. 07 in Osh, Kyrgystan, came to visit Hinds AHS for approximately one month to get an understanding of the American educational curriculum and culture. During the month of February 1997, the principal of School No. 07 came to visit Hinds for the same purpose that Mr. Hughes visited his school. Then during the month of March, eight Hinds AHS students: Corey Barnes, Brandy Caston, Jamie Dean, Juanita Gilmore, Benard Hubbard, Dinah Jennings, Dexter Wilcher, and Ernest Woodall visited School No. 07 in Osh, Kyrgystan, for three weeks. This trip was a learning experience for all involved. Mrs. Madelyn Bell, the foreign language instructor, traveled with Hinds AHS students.
