HINDSONIAN CLASS OF 1998

“Success in ‘da’ making”

A NEW OUTLOOK

With every new day came a new change, a new challenge, a new encounter, a new experience. In spite of it all, life continued, and we took everything in stride here at Hinds A.H.S. We made the necessary adjustments to cope with the times. All antiquated ideas, thoughts, tendencies, and idiosyncrasies were brought to a new light. We mastered the present and moved toward the future, retiring the past amongst our memoirs. At that point, we established A NEW OUTLOOK

This new outlook that we have grasped will propel us into the future. The pictorial account highlighted in The Hindsonian is a representation of the events that caused our new outlook. From the first day of school through the graduation ceremonies, we demonstrated our new outlook. Immaturity was overcome by maturity, nonchalantness was replaced with sincerity; mediocrity gave way to excellence; and selfishness was substituted with unity. We have realized that everyone has moved one step toward fulfilling their dreams and overcoming their obstacles. We hope that you enjoy what there is to come in this edition of the Hindsonian.

We made these adjustments because we had A NEW OUTLOOK toward life and an overwhelming anticipation for a prosperous future. A NEW OUTLOOK

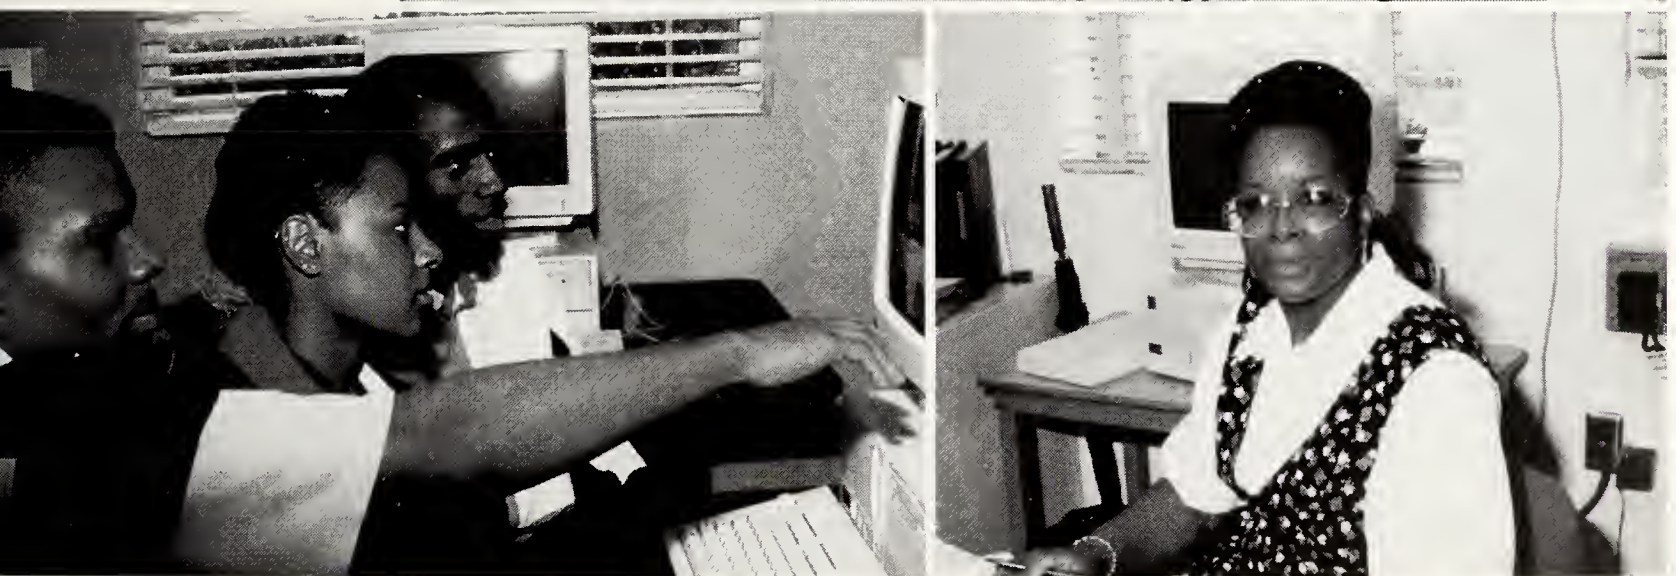

BULLDOGS

Seniors of 1998

Arlishea Lomax is the daughter of Shirley Lomax and Robert Williams of Edwards, Mississippi. She is born under the astrological sign of Scorpio and attends the Cherry Grove M.B. Church. In her spare time, Arlishea enjoys dancin, talking on the phone and meeting new people. She is a member of TSA, FFA, the marching Band (co-captain of the majorette squad), the National Honor Society, Gifted Education, and JROTC. Her aspirations in life are to attend the college of her choice and to major in computer engineering. Arlishea's philosophy in life is "With God by your side, anything is possible."

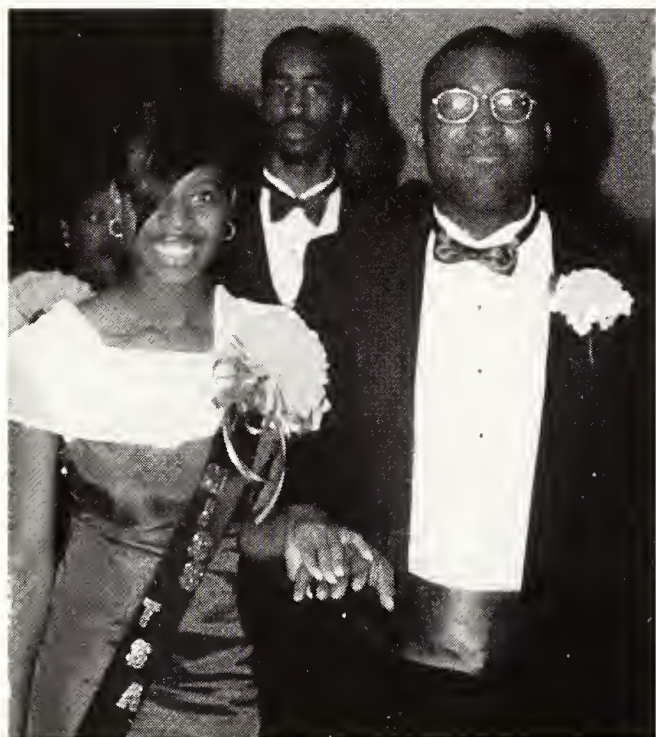

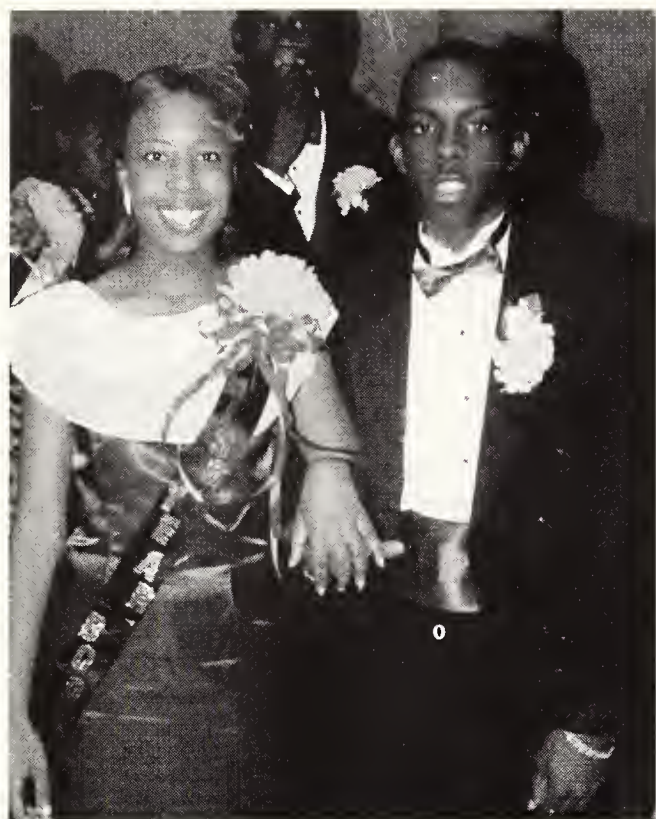

Dexter Wilcher is the son of Mr. and Mrs. Dexter Wilcher of Crystal Springs, Mississippi. Born under the astrological Sign of Cancer, Dexter enjoys playing music and traveling. He is affiliated with the Mt. Wade M.B. Church of Terry, Mississippi. He actively participates in TSA where he serves as state president, FFA where he serves as local president, the National Honor Society, the marching, stage, and jazz bands, the annual staff, and Gifted Education. His future plans are to attend a major university and become a computer engineer. Dexter strongly believes "If you place all your trust and belief in God, anything is possible" and that one should always try to help those who are in need.

"FAREWELL A.H.S."

On August 8, 1994, we entered Hinds A.H.S. as young, inquiring, freshmen; now on May 17, 1998, we will leave Hinds A.H.S. as mature, intelligent, young adults. We embraced our previous school years with our hearts filled with joy and endurance along, with accomplishing goals and proving that we can do it!

Leaving Hinds A.H.S. is something that will be hard to do. Friendships were made, relationships were established, lessons were taught, and goals were made. We now have to leave what we know and what we have established and venture into an unknown future.

As seniors, the decisions we make now will have a definite effect on our lives. Our future is directly in front of us. We now have to prepare for our future, because "Beginning Anew" is definitely what we have to do.

The Hinds County Agricultural High School Senior Class of 1998 would like to thank the entire faculty of Hinds A.H.S. for teaching us and showing us the way. We love ya!! We would especially like to extend our hearts out to Mr. Charles Langston, who introduced us to a "bulldog world" in 1994 and to Mr. Johnny Hughes, who is escorting us into the "real world." They are the ones who inspired us and challenged us to desire the best out of life. It is so hard to say good-bye to the laughter, pain, heartache, good times and bad times we shared with our fellow classmates and teachers, but the time has come for us to say Farewell AHS.

The Senior Class of '98
