Hinds AHS provides its students the opportunity to experience variety as they pursue a quality education. The objective at AHS is to contribute to the total development of all of its students, be it academically, socially, emotionally, or physically. After all, all work and no play makes a very boring day. We, however, are about creating exciting days and times around Hinds AHS.

# A Closer Look at How We Strut Out Stuff

One of the highlights of this school year was the homecoming parade. The streets of downtown Utica were flooded with onlookers, well-wishers, and loyal supporters. They came to cheer on the bands, view the parade entries, shout pleasantries to the parade participants, and scamper after treats and other incentives tossed from floats and decorated vehicles.

This year's parade included bands from Hinds CC-Raymond Campus, Port Gibson High School, Jefferson County High School, Hazlehurst High School, Alcorn State University, and Hinds County Agricultural High School.

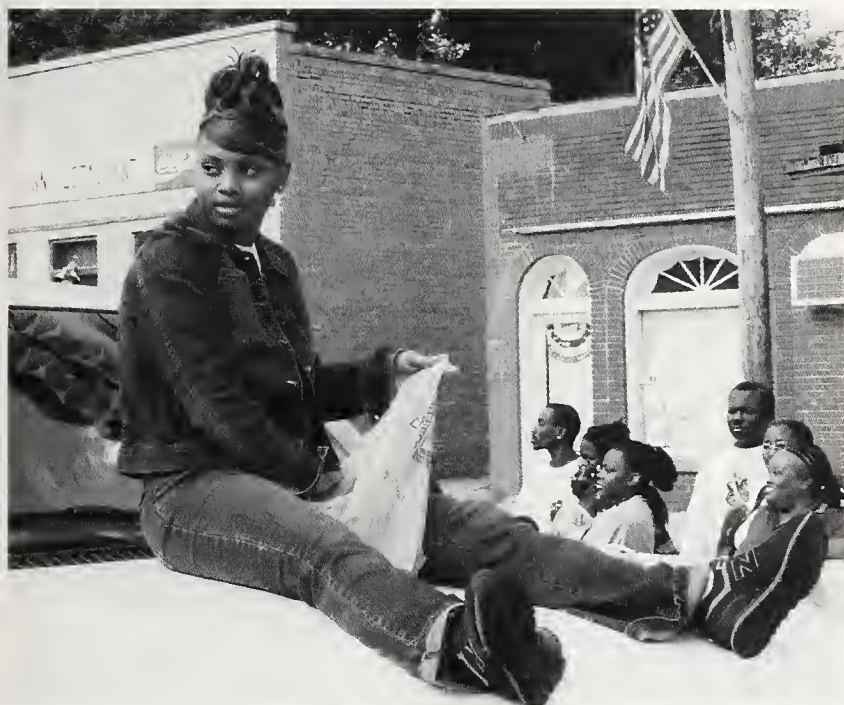

"They are able because they think they are able."  
--Virgil

In addition to bands, The Mahogany Dancers and other entertainers dazzled the crowd with their unique routines. Clubs and organizations spotlighted their kings and queens on adorned vehicles and floats.

Left: The Hinds AHS Marching Band proves to the crowd that playing instruments isn't all that it is capable of doing.

Hinds AHS believes in "Put your best foot forward." To achieve that goal, our school always generate great time and energy towards its projects. The coronation ceremony was no exception. The students, under the guidance of very capable teachers, worked diligently to make coronation night a night of elegance. The attire of the kings and queens added the finishing touch.

Coronation:  
the act or ceremony of  
crowning a sovereign or his  
consort; the act or ceremony  
of crowning a monarch; the  
act or ceremony of crowning  
Mr. and Miss Hinds and  
honoring them with a royal  
court and special tributes

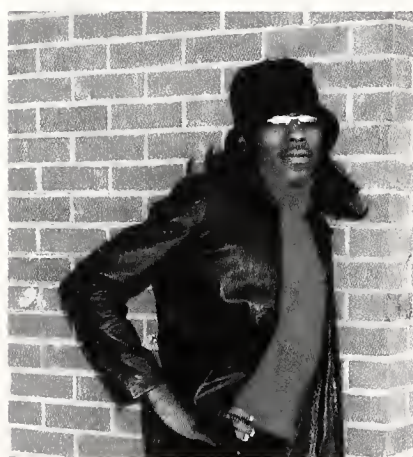

The Hinds AHS students always add variety to their lives to make the school experience more enjoyable and memorable. Some of them choose to be as outlandish as possible without violating any of the school rules.

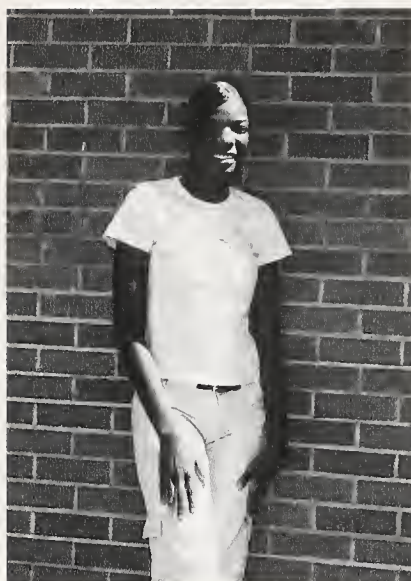

## A Break from the Ordinary

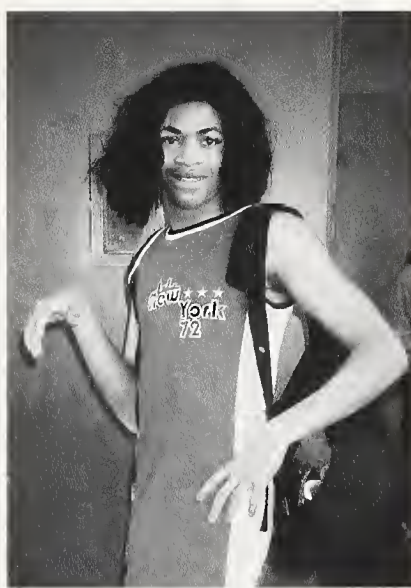

Homecoming week is certainly a week of fun. It is then that the students get to wear ridiculous attire, dress like the opposite sex, and exemplify their school spirit.

"To each his own." What you do and how you do it is okay as long as it is in line with the Hinds AHS rules and regulations.

# "Did I Do That?"

The Hinds AHS students involve themselves in a variety of activities as a means of making their school experience more enjoyable. They take time to participate in fun activities as well as work hard to create elegant settings for special occasions. In everything they do, they take pride.

*Student Life*

“ ‘Tis good to be merry and wise.” --- George Chapman

Every day brings a new challenge, a new opportunity, or a new adventure around Hinds AHS. Sometimes, serenity is required; at other times, excitement is generated. The students take advantage of every opportunity granted them to help them become well-rounded individuals. They find ways to enjoy their school life, be it through smiling, styling, profiling, or chilling.

And we can combat even with the brave."

Shelton, what are you looking at?

Diversity is what makes school life interesting. Time must be allotted for relaxation, fun, and education. Without it, students will lose sight of why they attend school in the first place. They must be given time to find themselves and to discover their total potential as human beings.

If you can keep your head when all about you  
Are losing theirs and blaming it on you;  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too,  
If you can wait and not be tired by waiting,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise;

If you can talk with crowds and keep your virtue,  
Or walk with kings - nor lose the common touch,  
If neither foes nor living friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds worth of distance run,  
Yours is the Earth and everything that's in it,  
And - which is more - you'll be a Man, my son!

# The Hinds AHS Band

Right

The Flag Girls performed a variety of routines which included flag routines and ribbon routines. Many of their routines were choreographed by LaQwita Finley, a Hinds AHS graduate, a former majorette, and a former Miss HCC - Utica Campus.

Below

The band did not only perform in parades or during half-time of football games. It also performed in the stands, energizing the fans and firing up the players. Drum major Apryl Trimble directed them through many of their in-the-stands numbers just as eagerly as she led them on the football field at half-time.

The smile on Niayoka Burns' face symbolizes "Oh what fun it is to be a Hinds AHS majorette!"

The Hinds AHS Majorettes are always turning heads. Their routines are second to none. Mrs. Daisy Richardson, their choreographer, makes sure that the girls "Keep it clean and real."

They were champions of the Hinds AHS Holiday Classic and District 6-2A (for the second consecutive year), placed second in the Madison Ridgeland Tournament and the South State playoffs, but they were eliminated by Ashland in the first round of the State playoffs at the Mississippi Coliseum. Their overall record for the season was 26-9.

Brandon Harris pushes himself to clear that final hurdle. Lift that leg higher, Brandon!
