# Parade of Sound

# Parade of Royalty

Looks like it was a long day.....At least SOMEONE was enjoying the ride. Its so hard to please royalty!!!!!!

# THE ROYAL HIGHNESS

A collage of six photographs showing various cars decorated for a parade. The cars include a red pickup truck, a silver sedan, a yellow and red car, a black car, a white car, and a blue car. People are seen sitting on the hoods and roofs, waving, and holding signs. The background shows a street with buildings and other vehicles.

# WORK, WORK, WORK .....

Students in Hinds AHS attend classes everyday. They believe that with hard work anything is possible. They work hard and listen because the future belongs to them and it is our belief that they will be successful if they continue with hard work.

This year some English III students demonstrated their skills in writing essays and speeches. They invited special people to an award presentation. Their guests learned how important they were in teaching lessons that helped the students improve their lives.

# The Results of all that hard work.

The senior class takes a minute to pose for a picture before they attend Senior Day. They are all smiles because all of their hard work has paid off. They seem determined to make their futures properous and successful.

The images of our Black men are not the images we saw on stage. We are dreambuilders, we are workers, we are true and faithful, we are brilliant and most of all we are made in the image of God.

### Have You Ever Heard of "Kubla Khan"?

Advanced Placement English Literature and Composition tackled another literature lesson. "Kubla Khan" challenged the the limits of our imagination. This poem contains allusions to the deepest human desires- for pleasure, order, beauty, awe, even chaos and war. AP English students present their graphic organizations on the board and pondered on the final section test of the lesson.
